Welcome to the (Name of Meeting). Please mute your microphones until you would like to speak. If you are in a public place, or even at where people not attending the meeting could enter the room, please do not have your video on and wear headphones. Equally important, please ensure the video of attending members are not visible to anyone else. This is because of anonymity as detailed above, protecting both the privacy and anonymity of members and potentially your “qualifiers” if they live with you; the person who brought you to this program
