

**RECOVERY LITERATURE PRIORITY LIST UPDATED
FOR THE 2023 WORLD SERVICE CONFERENCE**

The following list of recovery literature is compiled from requests and submissions to the World Service Literature Committee. As required by the Guide to World Services, this list is to be compiled and summarized biennially for presentation to the WSC for consideration and prioritization. We ask that attendees of the 2023 WSC gather information from their regions and number each item on this list from 1 to 21 (1 being highest priority) by placing a number in the box next to the title. These forms will be collected and tallied at the WSC. The results will be given to the World Service Literature Committee for literature to be written, reviewed, expanded, and/or edited before going through the approval process for recovery literature (found on pages 24 and 25 of the Guide to World Services).

Commencement of work is dependent upon the World Service Literature Committee receiving writings from the fellowship. All writings MUST be accompanied by a signed Nar-Anon Family Groups' Copyright Release Form. Writings submitted without a Copyright Release will be deleted and will not be considered for use.
