**Questions from Members** (*The following questions are paraphrased to protect members anonymity*)

1. *Considering the postage, paper and time, would it help the budget if WSO did not send paper receipts after a donation? Can they be sent through email or not at all?*

Answer per WSO: If the person making the donation requests it to be emailed. If done by website through the contribution button, they can just type in the "Note to Seller" box and ask to have it emailed.

2. *Can members bring up names of therapists, drug programs/treatments, or non-CAL literature during the meetings?*

Answer: From the new Nar-Anon book "[Our Traditions, Principles for Groups and Beyond](#)" regarding Tradition 3 "During our meetings, we must remind others we have no other affiliations. Sometimes members want to bring flyers from other fellowships or treatment centers. These can be shared outside the meeting; inside the room we keep the focus on Nar-Anon recovery."

3. *I'm having a hard time finding meetings on Nar-Anon.org. Can they be put in one place?*

Answer: Updates have been made to Nar-Anon.org to search for a meeting. Click on: <https://www.nar-anon.org/find-a-meeting#groupspublic/>

4. *What is the mailing address to make contributions for the Central California Region?*

Answer:
