

January 20, 2024

Hello GSR's,

• **Common Welfare Topics (CWT)** The World Service Conference Committee released the Common Welfare Topics and the ad hoc committee reports. I will be forwarding this information to the GSRs on my list. Once WSO posts these, we will place links to the documents on our website. I have created a PowerPoint for groups to use in discussing these, which I will be posting these on our website. Groups will need to choose their top three topics and notify me of their top 3 topics by March 2, 2024.

❖ **Suggestion:** Take 4 or 5 topics a week. Hold a brief meeting after the meeting to bring discussion and make an informed group conscience. I will be holding a round table to discuss the Common Welfare Topics and answer questions on Sunday, Feb. 4 at 9 am. The deadline to submit the group conscience is March 2, 2024, as I must tally these and report back to the conference committee before March 20.

Whether you are here as the current, substitute or alternate, thank you for your service.

Central California Region:

Groups	Meetings	Virtual	In-Person	Hybrid	Suspended
18	18	11	5	2	0

• **CA Inter-Regional ad hoc committee** We are looking for a “few good men and women” who are excited about exploring the future of Narateen in California. If this is you, please contact me and let me know. We are hoping to work together with Southern and Northern California to share facilitators and build a great program. The RSC is asking the Assembly to approve our working together across California, as California laws have been updated to make it more challenging for volunteer organizations working with youth. In order for us to make sure we are covered under these new CA laws; we will need to get legal advice. By sharing the work and the expense, it will benefit all three regions.

In loving service and gratitude for this region,

Sunny Delegate@naranoncentralca.org
