

RSC Delegate Report  
December 14, 2022

Greetings CCR Family,

### **2023 Conference Agenda Report**

The CAR and the Recovery Literature Priority List were released and have been sent to the GSRs to share with the groups. The documents and Tally Sheets are also available to view and download from our website, [2023 World Service Conference](#) page. There is a plan in action to assist our members in preparation for the CAR. Currently, there is a committee of 6 different regions working on creating informational audio videos regarding the motions that will be accessible for viewing anytime. The goal is to have this ready in January 2023. If you would like to be of short-term service, there is a need. If this project sounds interesting and you would like to be a presenter (audio only) please reach out:

### **Board of Trustees with WSO Roundtable**

- There was not a proposed budget presented for 2023. Would our region like to send a request to the WSO in January for a copy of the 2023 Budget?
- WSO states. "there are 100 in-person meetings in the US". The World Representative Forum (WRFNFG) is conducting research to verify regions in-person meetings.
- Discussed measures to cut back cost. Relocate - lower rent, volunteers to do bookkeeping, payoff credit cards to save interest charges, reduce subscription costs. No figures disclosed on how much this will save.
- Talk of added electronic literature and audio books when funding permits to increase revenue.
- The event was recorded, along with statements and diagrams. It will be shared with the region once it becomes available. Many questions were asked, not enough time to get the answers.
- If you would like to review what financial information is available, visit the Budget & Finance page [Nar-Anon.org](http://Nar-Anon.org)
