

Delegate RSC Report
November 9, 2022

Greetings CCR Family,

World Service Conference News

The CCR website has been updated to reflect all current information for the “Progress Through Worldwide Unity” 2023 WSC.

- The deadline to inform the World Service Conference Committee of their intention of sending our Delegate and Alternate Delegate is by December 31, 2022.
- Any member of Nar-Anon or Narateen may observe the conference (audio only), at no charge. Please inform the WSC Committee by April 3, 2023 if you wish to attend as an observer. wscconference@nar-anon.org
- A link has been added to Nar-Anon.org to send in the Equalized Expenses to attend the conference.
- The WS Conference has been extended one more day. The dates are now April 28 - May 2, 2023.
- The conference agenda report (CAR) is stated to be released at the end of this month. Last count is around 90 motions. To see motions that are available for viewing, check out the [World Representatives Forum](#) and [Western Regions Convention](#) for more detailed information.

Some international regions are not able to send their Delegate to the 2023 WSC for financial reasons. Wondering if our region would consider seeding a delegate?

WSO Financial Update

The Board of Trustees has scheduled a [State of Affairs 2022 Roundtable](#) with the fellowship on December 10, 2022 concerning the World Service Office financial crisis. Please see the flyer in this packet.

Grateful to be in service with CCR,

JT, delegate@Nar-AnonCentralCa.org
Sunny J altdelegate@Nar-AnonCentralCa.org
