

Delegate Report - TBTM
April 5, 2023

Greetings CCR Family,

22 days to World Service Conference (WSC)

- **URGENT:** World Service Conference Committee has extended the deadline to April 24, 2023 for registering as an observer at the WSC. Still, I encourage anyone interested in attending to contact the WSCC and inform them of your intention now. A great way to experience the conference and see the worldwide fellowship work together for the good of Nar-Anon as a whole. There is no cost as an observer. By saving the invitation link you are able to come and go. Please see the WSC Observer Invitation following this report. WSCconference@Nar-Anon.org.
- If attending as an observer, to be in the know, the [Daily Agenda](#) for the 2023 World Service Conference is now available and posted on the Nar-Anon website [World Service Conference page](#).
- A reminder the CAR Tally Sheets and [Recovery Literature Priority List](#) deadline is April 10, 2023. We have received some completed tally sheets from groups. Thank you for your voice. Your group can request an extension until the 17th, if necessary. To send the results please either scan or take a photo and send to delegate@naranoncentralca.org
- Sunny and I have completed registration for the WSC virtual trainings and electronic balloting for conference polls. We start the training sessions on Wednesday April 12th.

New Fellowship Review

The Board of Trustees is presenting six Outreach Posters to the fellowship. They welcome suggestions and comments from the fellowship for a minimum of twelve months. If you would like to participate in the review, please send an email to delegate@naranoncentralca.org

Please feel to reach out for any questions or concerns

Grateful to serve in this region,

JT - delegate@naranoncentralca.org

Sunny – altdelegate@naranoncentralca.org
