INTERIM WORLD SERVICE CONFERENCE 2024

The World Service Conference Committee sent out updated information on July 30, regarding the interim WSC coming up in April of 2024. The World Service Conference 2023 voted to hold an Interim World Service Conference (IWSC) in 2024. The following information is provided to help attendees plan their participation from April 19, 2024 through April 21, 2024. The IWSC will be hosted from Torrance, California, and virtually accessible worldwide. I will be attending as your delegate at this conference, and keeping you updated as we get more details closer to the conference.

PURPOSE

The purpose of the Interim Conference is a little different than the usual WSC, hopefully allowing for more two-way communication, and taking care of things as they arise rather than having so many topics as we did this year.

The IWSC 2024 will include discussion of:

- Common Welfare Topics (CWT)
- World Pool voting
- Approval of Conference Approved Literature (CAL), if any available
- Approval of Conference Approval Track (CAT) material, if any available
- Reports on motions committed/referred by World Service Conference 2023
- Discussion and the possibility of writing motions to submit to the Conference Agenda Report (CAR) for World Service Conference 2025

Speaker List

We have discussed having a regional speaker list, so that meeting can have speakers to call on for speaker meetings. Is there interest among your groups for such a list? Are there members who would be willing to add their names to the list? If so, email me at delegate@naranoncentralca.org
