

RSC Delegate Report

December 1, 2021

Greetings CCR Family,

The WS Literature Committee has released Tradition Three of Nar-Anon 36 and is ready for fellowship review and input. Lit Com encourages "The more eyes we have reviewing, the better this piece will be." The deadline to submit a review is January 30, 2022. Members who are interested in participating in this process please send an email request to delegate@naranoncentralca.org

The November meeting of the Nar-Anon World Representatives and Delegates Forum discussion was directed to the difficulties some countries have in obtaining CAL contracts and the process for translating literature. A suggestion from a Board of Trustees member, when contacting the World Service Office for any inquiry it may be best to create a dedicated Nar-Anon email address. Not a personal email address. If you are interested a recording or in attending the next quarterly meeting, please send a request to delegate@naranoncentralca.org

Grateful to be in service,

JT
