

RSC Delegate Report - TBTM
January 16, 2023

Greetings CCR Family,

The new year has arrived! So grateful for our region and a program that offers Step 10. To daily let go of the past and not wait for a new year to start over!

Reminder to GSRs & Contact people:

CCR Regional Assembly is January 28, 2023. Group Reports are due by this Friday, January 20th

Please join us, as a GSR, you are the voting members. This assembly will be streamlined. Hoping to complete region business in 90 min, a break, then group reports. It is optional to stay. See flyers for more information. Please send to Barbara S: Secretary@naranoncentralca.org

- **Updated Conference Approved Agenda (CAR)**
The World Service Conference Committee made some revisions and updated the CAR. Please refer to the updated version available for download or viewing on the [World Service Conference](#) page of our website. Included on the page is the Tally Sheet and Recovery Literature Priority List.
- **CAR Motions Audio Presentations**
To assist the groups in the Car Motion process, The Western Regions Committee and other regions have put together a [CAR Audio Presentation](#). A suggestion: Start with 10 motions. Review the videos during the week at any time. Bring questions and or your decision to group meeting. Hold an after the meeting for an informed group conscience. Repeat for the following week.
- **Streamline the WSC**
Members of Nar-Anon have come up with ideas of how the World Service Conference can be streamlined. One proposal is available for your consideration at: bit.ly/agree-not-argue. More information and discussion for participation at the [Western Regions Convention](#) February 11, 2023.
- **Service Literature for Fellowship Review**
The *Narateen Safety Handbook* and accompanying pdf are being presented to the fellowship for review. The more eyes on it the better it serves the fellowship. If interested in being a part of this review, email: delegate@naranoncentralca.org.
