

Delegate Report

November 3, 2021

Greetings CCR,

What a great day of fellowship and recovery at our Narathon on October 23rd. Much gratitude to the speakers, shares and support from all the members who were able to participate.

The [Delegate's Corner](#) has been added to the Central California Region website. News from the WSO to the regions will be posted to keep our members informed. Is there anything else the region would like to see on this page? To better serve our group's ideas and needs, all are invited to reach out.

The Delegate's forum on WhatsApp is in the process of creating guidelines for the group chat. This group is not part of the Nar-Anon service structure. It is a chat forum for representatives to meet and discuss topics of interest relating to Nar-Anon and provide unity to regions all over the world.

The group, Monday Nite Miracles from Seaside will be disbanding. The final meeting will be on November 22, 2021. Thank you for the dedicated service and love the group offered to those still suffering inside and outside the rooms.

Grateful to be in service,

JT
